P L A S M A T V

Find beauty in the simplest of things. Feel emotion in the most subtle of details. Balanced on granite and hand-lacquered for a sculpted sheen that complements its spectacular display. The LUMI Plasma TV - Manifesting the Art of Light.

Choose from our 3 expansive display sizes that range from 42", 50" and 63".

- LUMI 42 Enhanced Definition Plasma TV
- LUMI 50 High Definition Plasma TV
- LUMI 63 High Definition Plasma TV

A breathtaking frame, exquisitely finished with brilliant lacquer, houses the magnificent display within.

Delicate contours guide the eye to the unobtrusively designed buttons that complement the subtle aesthetics of the frame.

Supporting the entire Plasma TV is a solid granite base, adding that distinctive touch to an exceptional design.

## So subtle, it's extravagant

Indulge in beauty that lasts with our exquisite "9 Coat Lacquer Bezel" process that results in an intriguing sheen that is as remarkable as it is durable.

The advanced colour management features allow you to make precise colour adjustments and tune colour temperatures accurately for true-to-life images.

Feast your eyes in the bright high contrast displays which incorporate the industry's leading plasma technologies that deliver brilliant pictures at all times regardless of room lighting.

Experience the convenience of seamless connectivity to numerous multimedia devices with the complete convergence of HDMI and DVI for high definition video and multi-channel audio.

With 10-bit image processing, you are assured of unparalleled sharpness, exceptional colour display in 1,073 million colours and impressive performance throughout your entire Nakamichi plasma experience.
