

SoundSpace™ 1

Stereo Music System

SMALL IN SIZE ... NOT IN SCOPE! MINIATURISATION NAKAMICHI STYLE

Anyone can build a compact music system. Many companies do. But no one builds a compact music system quite like the Nakamichi SoundSpace 1! SoundSpace 1 is small enough to rest on a desk — it comes with stands that cradle each component at just the right angle to look and sound great — or you can hang its components on the wall. Each has keyholes on the back panel for just that purpose. However you use it, SoundSpace 1 attracts attention ... for its good looks, sure, but more importantly for sound that belies its small size ... superb sound ... Nakamichi sound!

SoundSpace 1's three components are matched to each other physically and electrically. At just over 6-1/2 inches on a side and less than 2-1/2 inches thick, each component is hardly larger than a stack of six CD jewel boxes ... but all three are packed with performance! The central unit houses an excellent CD player, a first-rate AM/FM Stereo Tuner, and all the electronics needed to run the system. Each speaker wing contains a 8-cm bass/midrange driver and a 2.5-cm semi-dome tweeter in a skillfully designed 2-way bass-reflex system that elicits optimum performance from each element.

SoundSpace 1 can be wall-mounted

SoundSpace 1 has remarkable functionality: Bass, Treble and Midrange controls to tailor the sound to your liking, a Loudness circuit to compensate for your loss in high- and low-frequency hearing acuity when you listen at low levels, even a headphone output and an alarm timer with snooze function! SoundSpace 1 can be fed from an external cassette deck, MiniDisc player or the like and can copy broadcasts and CDs to an external recorder. Analog and digital outputs are provided so CDs transfer perfectly to a digital recorder.

Compared with those in other compact music systems, SoundSpace 1's electronics are extraordinary! Its dual 1-bit D/A converters and 8X-oversampled digital filter are more typical of high-end audiophile gear than a music system of this genre, and its power amplifiers have been carefully matched to the speakers for optimum performance. All the controls you need to operate the system lie atop the central unit but you can

operate the system equally well from the stylish remote control provided with it.

SoundSpace 1 ... wherever and whenever you need Nakamichi sound and Nakamichi looks ... in miniature!

SoundSpace 1 Specifications

CD Player Section

System	Compact Disc Digital Audio
Signal Readout	Non-Contact Optical Readout
Error Correction	CIRC Principle
Number Of Channels	2 Channels, Stereo
D/A Converter	1-bit Dual D/A Converter With 8 Times Oversampling Digital Filter
Sampling Frequency	44.1 kHz

Control Amplifier Section

Input	1 (Analog Stereo Mini Jack)
Recording Outputs	2 (1-MD / Optical Digital Output / 1-Analog)
Headphone Output	35 mW / 40 ohms
Tone Controls	
Bass	100 Hz \pm 12 dB
Mid	1 kHz \pm 12 dB
Treble	10 kHz \pm 12 dB
Loudness	100 Hz + 10 dB, 10 kHz + 5 dB

Tuner Section

FM Reception Frequency	
USA / Canada	87.5 - 107.9 MHz in 200 kHz Steps
Other Area	87.5 - 108.0 MHz in 50 kHz Steps
AM Reception Frequency	
USA / Canada	530 - 1,710 kHz in 10 kHz Steps
Other Area	531 - 1,602 kHz in 9 kHz Steps

Speaker Unit

Configuration	2-Way Bass-Reflex Speaker
Driver Units	
Bass / Midrange Driver	8-cm Cone
Tweeter	2.5-cm Semi-Dome
Speaker Interconnect Cable	2-Pairs Included 30cm (14.5in.) 1.5m (4ft., 11in.)

Remote Control Unit

Principle	Infrared Pulse System
Power Supply	3 V DC (1.5V x 2)

General

Power Requirements	9 V DC (Rated) / 2 A (From Supplied AC Adapter)
--------------------	---

Dimensions*

Main Unit	
(With Stand)	167 (W) x 193 (H) x 118 (D) mm 6-9/16 (W) x 7-5/8 (H) x 4-5/8 (D) inches
(Without Stand)	167 (W) x 167 (H) x 61 (D) mm 6-9/16 (W) x 6-9/16 (H) x 2-3/8 (D) inches
Speaker Unit	
(With Stand)	167 (W) x 193 (H) x 110 (D) mm 6-9/16 (W) x 7-5/8 (H) x 4-5/16 (D) inches
(Without Stand)	167 (W) x 167 (H) x 61 (D) mm 6-9/16 (W) x 6-9/16 (H) x 2-3/8 (D) inches
AC Adapter	75 (W) x 65 (H) x 110 (D) mm 3 (W) x 2-9/16 (H) x 4-5/16 (D) inches
Remote	49 (W) x 26 (H) x 110 (D) mm 1-15/16 (W) x 1 (H) x 4-5/16 (D) inches

Mass

Main Unit	Approx. 1.1 kg, 2 lbs. 7 oz. (With Stand)
Speaker Units	Approx. 0.9 kg, 2 lbs. (With Stand)
AC Adapter	Approx. 1.3 kg, 2 lbs. 14 oz.
Remote	60 g, 2 oz. (Including Batteries)

*Dimensions do not include protruding parts. Height is panel height. Nakamichi SoundSpace is a trademark of Nakamichi Corporation. Specifications and design are subject to change for further improvement without notice.
